

Who we are: Family Services is a non-profit, human service agency that helps people discover healing, happiness, and healthy lifestyles. We support the children, families, and people of Northeast Wisconsin through more than 30 comprehensive programs. We continuously monitor the needs of our communities and respond by providing professional and comprehensive services to meet those needs.

What we do: Family Services helps families and people of all ages in various situations and at various stages of their life get the support and service they need. No matter what difficulties people are facing...raising a child, maintaining a healthy relationship, recovering from abuse, or realizing their own importance...they can find help and hope with Family Services. Our experienced staff includes experts on the topics of:

- Adolescent Behavior
- Adoption/Post-Adoption
