January 08 Session

What is Smart Parenting?

Smart Parenting is an eight-hour course designed to help parents with disciplining their children. Though it is focused on children ages 4-12 years, parents with children of other ages are also welcome to attend.

The class is based upon the nationally acclaimed parenting course, “*Smart Discipline*” by Larry Koenig, creator of “*Up With Youth*” and “*Up With Parents*”.

Smart Parenting participants receive a “*Smart Discipline*” workbook, which covers the most compelling issues facing today’s parents. Accompanying this workbook will be a Family Services “quick reference” folder with parenting tips, activities, community resources, and more.

Family Services can also provide **Smart Parenting** classes for single fathers, Hispanic parents, and Hmong parents.

Smart Parenting is a Family Services program offered at a non-refundable cost of \$25.00 per family. **No family will be turned away for inability to pay.**

If you or someone you know is interested in enrolling, please mail the attached registration form with payment. You may also call 436-4360 ext. 1504 to request additional information.
