

*Helping people discover
healing, happiness & healthy lifestyles.*

Our Mission

Supporting all people through life's challenges and transitions.

Our Vision

Family Services will support the development of a diverse community of strong individuals, children, and families with supportive relationships, safe environments, and sufficient resources.

Our Customer

The primary customers of Family Services are individuals, children, and families needing assistance in facing life's challenges and transitions.

Our Core Values

Integrity, Excellence, Responsiveness, Collaboration, Creativity, Caring

Our Overarching Goals

- *Provide a continuum of comprehensive, quality services*
- *Be flexible in responding to new challenges*
- *Optimize our resources through creative approaches and relationships*
- *Value diversity in people, process, and programs*
- *Be a center of excellence in the communities we serve*
